

SIRBA ALL THE WAY

Em
If you go down to the river tonight, love,
Em B7 Em
you better look out, you better look out!
Em
There'll be a whole lotta' movin' tonight,
Em B7 Em
love, you better look out, you better look out!

Em
I see - doggone faces starring in at me,
Em
something crawling out in the bush.

Em
Out in the back road, out in the back,
Em B7 Em
somebody's talkin', and I'm talkin' back.
Em
So, if you go down to the river tonight, boy,
Em B7 Em
you better look out, you better look out!

Em
Listen my heels go klick-a-ti-klack,
Em B7 Em
I'm leavin' for good, and not comin' back.
Em
So, if you go down to the river tonight,
Em B7 Em
love, you better look out, you better look out!

A Em
Sirba all the way ...
A Em
you've got a whole lotta' comin' your way.
A Em
Sirba all the way ...
B7
and then you stopped - short - burn!
