

WELCOME TO MY WORLD

C
You say you love me
C
but you won't let me touch you ...
C
So don't try to tell me
C **Bb**
your whole world is falling,
Bb **C**
falling down around you.

C
You say why did I not try harder?
C
What's left to do now; I'm free and
C **Bb**
a new world is calling,
Bb **C**
calling out for me.
C **Bb**
'Cause I won't stay.
Bb **C**
I won't stay.

Fm **C**
So I'm gonna go and you bet I'll be gone with a smile.
Fm **C**
I'm gonna do things my way for a whole while now.
Fm **C**
I'll be out there and I won't care if you cry.
Bb **C**
You can't stop me. You can't stop a sigh.

C **Bb**
Welcome to my world!
C
My world!
C **Bb**
Welcome to my world!
C
My world!
Bb **C**

C
Watch me go out now and strike up gay colours.
C
Let's wave a flag, it's a new day
C **Bb**
and everyone's out to dance
Bb **C**
on my grand parade.
Bb **C**
Don't stand there, get up, come on, get up!

Fm **C**
So I'm gonna go and you bet I'll be gone with a smile ...

C **Bb**
Welcome to my world!
C
My world!
